

Punchout Catalog by Greenwing Technology

Terms of Service

The Greenwing Technology Punchout Single Click App for BigCommerce adds punchout catalog capability to your BigCommerce storefront. This app allows you to connect with over 100 eProcurement systems including Ariba, Coupa, Jaggaer and Oracle and transact with enterprise level customers.

The Big Commerce App can be installed to your BigCommerce storefront but requires a subscription to Greenwing Technology's eProcurement Hub system to interact with eProcurement systems.

Please contact Greenwing Technology at 1-877-415-3237 or +1 302-566-8900 to set up this service.
